Media Bulletin No.43

Date: 10/03/2020 (8.00 AM)

WHO has declared the recent Corona Virus Disease (COVID-19) epidemic affecting **105** countries as Public Health Emergency of International Concern. WHO also classified risk assessment as very High at the Regional and Global level.

In this context, Andhra Pradesh has strengthened the surveillance for containment, control and prevention of COVID-19. Till date **466** passengers from COVID-19 affected countries have been identified and placed under surveillance. **234** people are under home isolation and **226** people completed the 28 days observation period. **6** passengers are in hospital admission and are stable. Total Samples collected till date are **36**, of which **34** samples tested **Negative** for COVID-19, result awaited for **2** samples.

A 24x7 Control Room has been set up in the State (0866-2410978) and all Districts. Isolation wards are setup in all Government General Hospitals and District Hospitals.

104 Help line (Toll free number) has been operationalized for providing health advises on COVID-19.

Government of Andhra Pradesh have notified the District Collectors as District Nodal Officers for taking measures towards containment and surveillance of COVID-19 in their respective districts.

Sufficient stocks of face masks are available in the state.

Coordination Committee meeting has been conducted with all the nodal officers of the line departments yesterday.

State level Training of Trainers conducted yesterday on the protocols developed for prevention, control and containment on COVID-19 for the District and Facility level Rapid Response Team members at NTR Health University, Vijayawada.

General Advisory:

- Public should follow the cough etiquette by covering the nose and mouth using handkerchief /towel while sneezing/coughing.
- Do frequent handwashing with soap and water.

Advisory to Foreign Returnees:

- Those who have arrived from the Corona Virus Disease affected countries should remain under strict home isolation for 28 days from the date of arrival in India, irrespective of whether they have the symptoms or not.
- They are advised not to have close contact with other family members, allow any visitors, go out to public places.
- If symptoms like cough, Fever, difficulty in breathing are developed, put on a mask and contact the nearest government health facility by availing free transport through dedicated 108 ambulance or call the 24X7 Control room 0866-2410978.
